The Celltrion DiaTrust™ COVID-19 Ag Home Test is for use under Emergency Use Authorization (EUA) only. This product has not been FDA cleared or approved, but has been authorized by FDA under an EUA. This product has been authorized only for the detection of proteins from SARS-CoV-2, not for any other viruses or pathogens. The emergency use of this product is only authorized for the duration of the declaration that circumstances exist justifying the authorization of emergency use of *in vitro* diagnostics for detection and/or diagnosis of COVID-19 under Section 564(b)(1) of the Federal Food, Drug and Cosmetic Act, 21 U.S.C. § 360bbb-3(b)(1), unless the declaration is terminated or authorization is revoked sooner.

Celltrion DiaTrust™  
**COVID-19 Ag**  
**Home Test**

Scan the QR code through your smartphone (Android 10 or newer, iOS 14.2 or newer) camera to download the free Celltrion DiaTrust™ COVID-19 Ag Home Test App (CELLTRION SAFEKEY). Celltrion DiaTrust™ COVID-19 Ag Home Test App can also be accessed through <https://celltrion.safekey.tools> if any error occurs with QR code. **Please Follow the Step-by-Step Instructions available on the Mobile App.**

If you have symptoms of COVID-19, you can use a single test.  
If you do not have symptoms of COVID-19, you will need at least two tests per person. You may need to purchase additional tests to perform serial (repeat) testing. This test is more likely to give you a false negative result when you have COVID-19 than a lab-based molecular test.

**PRECAUTIONS BEFORE THE TEST**

Please carefully read the precautions outlined in the Quick Reference Instruction manual prior to starting your test. Then please refer to the mobile app and follow the detailed instructions required to collect your sample. Wash or sanitize your hands and dry them thoroughly before starting the test. Make sure they are completely dry.  
This test involves taking a sample from deep inside your nose. When performing the test, pay particular attention to the instructions on how to swab your nose.

**Only open the aluminum pouch when you are ready to do the test.**

**CONTENTS**

- Test Device (1 ea.)
- Test Tube(Extraction Buffer) (1 ea.)
- Filter Cap (1 ea.)
