

June 6, 2022

To whom it may concern,

Pursuant to FDA's January 31, 2022 Letter Granting EUA Revision(s),

The Fastep COVID-19 IgG/IgM Rapid Test Device and Ecotest COVID-19 IgG/IgM Rapid Test Device have been granted an extension to the shelf life expiration date based on real-time stability data.

Attachment A lists the lot numbers of Fastep COVID-19 IgG/IgM Rapid Test Device and Ecotest COVID-19 IgG/IgM Rapid Test Device labeled with nine months shelf life. These products' shelf life has now been extended to a total of eighteen months.

Best Regards,

Frank Luo

Director  
Azure Biotech Inc.
